

How To Write Dimensions Exams In The Browser

Open Our Website: www.dimensionscoaching.in

Let me start off with the word "Trust", because that's what Dimensions stands for. Every student comes here with a trust that we deliver that 100% that is required for them to get into a govt job. Our recent selections stand testimony to this. A lot of students join Dimensions on the basis of word of mouth campaign done by the satisfied students. The objective of Dimensions is not to deliver student "satisfaction" but student "delight". In the current scenario there are a number of govt jobs on the offer and it is up to the student to grab them. Dimensions will help you in realizing your dream of getting into a govt job.

OPERATIONAL INSTRUCTIONS Please read the instructions carefully View in: English

General Instructions:

- Total duration of examination is 60 minutes.
- The clock will be set at the server. The countdown timer in the top right corner of screen will display the remaining time available for you to complete the examination. When the timer reaches zero, the examination will end by itself. You will not be required to end or submit your examination.
- The Question Palette displayed on the right side of screen will show the status of each question using one of the following symbols:
 - 1 You have not visited the question yet.
 - 3 You have not answered the question.
 - 4 You have answered the question.
 - 7 You have NOT answered the question, but have marked the question for review.
 - 9 You have answered the question, but marked it for review.The Marked for Review status for a question simply indicates that you would like to look at that question again. If a question is answered and Marked for Review, your answer for that question will be considered in the evaluation.

Navigating to a Question:

- To answer a question, do the following:
 - Click on the question number in the Question Palette at the right of your screen to go to that numbered question directly. Note that using this option does NOT save your answer to the current question.
 - Click on **Save & Next** to save your answer for the current question and then go to the next question.
